

## Weight Benches 2.0

# Exigo® Adjustable Bench 2.0

SKU: WB-2310

- ✓ Designed & manufactured in our UK factory
- ✓ Conforms with ISO/CEN equipment standards
- ✓ Commercial use structural lifetime warranty

The Exigo® Adjustable Bench 2.0 is engineered to deliver stability and versatility for a range of free weight exercises. Manufactured in the UK from heavy-duty 80mm and 70mm box section steel, it's built to provide a solid and secure lifting foundation that is suitable for any training facility.

The 7-position backrest can be adjusted from -10° decline through to a 75° incline, and the seat is adjustable with 3 positions to ensure optimal setup for every lift. For easy transportation, the bench is equipped with wheels and a front handle. Our high-impact ABS feet with concealed floor fixing points protect gym flooring and keep the bench securely in place if required.

### Colour Options
